The Foundational Girl Experience

Mapping Your Course to Girl Scout Success

There is an exciting year ahead for you as a Girl Scout at Girl Scouts of Eastern Pennsylvania! Each year we plan events and activities that help you prepare for a lifetime of leadership, but also to have fun, make friends, try new things, and be part of something great.

It's up to you to decide on your path, but we have some suggestions that we believe will help make your Girl Scouts year extra-special.

Here's what you'll need for Girl Scout success!

- Start with one girl between the grades of K-12. Set in an all-girl environment that is a safe space to take risks, learn new things and build confidence.
- Discover a variety of activities and collect new experiences focused on STEM, Outdoor, Life Skills, and Entrepreneurship.
- Earn up to four badges or complete a Journey.
- Complete a community service project.
- Earn a Service Award.
- Earn a Highest Award (Bronze: grades 4-5, Silver: grades 6-8, Gold: grades 9-12).
- Attend one or more Outdoor Activities like **GSEP Loves State Parks** (pg. 6) or **Maple Sugaring** (pg. 18).
- Take a field trip with your troop to a program like **Eco-Friends** at the Dorothy Rider Pool Wildlife Sanctuary (pg. 7) or **Movin' and Groovin' in the Outdoors** at the Fishtown Recreation Center (pg. 8) or attend a Girl Scout event like **Shoot for the Stars** (pg. 8) or **Emerging Engineers** (pg. 12).
- Be part of the largest girl-led entrepreneurship program—**COOKIES!**
- Enjoy Girl Scout traditions: wear your uniform (or not), sing songs, live by the Girl Scout Promise and Law, take part in ceremonies and so much more.

Combine all this with **FUN, FRIENDS, and SMILES** and you have an experience that will make you want more every year!

Signature Events at GSEP

Signature Events are fun programs designed and led by GSEP staff. Defining, building, and practicing leadership skills is a focal point of each Signature Event.

Check out all of the awesome Signature Events coming up this year on page 30–31 of Spark.

Spotlight on Service

Making the world a better place is a key element of the Girl Scout mission. Did you know that there are many ways to participate in service projects in our council? Whether you are completing a Take Action project as part of a journey, serving your community with your Service Unit/Troop, or working on one of the Girl Scout Highest awards, you can make a difference!

GSUSA provides national opportunities for service. In April 2022, GSUSA launched the Girl Scout Tree Promise national project. GSEP is proud to be a participant in the GSUSA Climate Challenge and Tree Promise grant. This grant is made possible by the generosity of Johnson & Johnson Foundation. Through this grant, eligible GSEP troops will complete climate-science focused activities as well as plant trees to support the Girl Scout Tree Promise goal of planting 5 million trees in five years.

Instructions on how to apply to be a part of the grant are coming soon!

GSEP infuses our Girl Scout Leadership Experience with opportunities to take action! Many of our Staff-Led and Partner programs include service to Girl Scouts and service to our surrounding communities. Look for this icon next to a program listing to identify these opportunities. Girl Scouts can earn hours towards service bars, engage with community needs, and develop an understanding of future needs—culminating with their development of Bronze, Silver and Gold Award project ideas, proposals, and projects!

GSEP also wants to make sure you know where to find a full listing of the fantastic partner organizations and causes that need our help. Please visit the Service Opportunities page of our website for listings. Do you have a favorite organization or opportunity that is not on our list? Email memberservices@gsep.org and use subject “new service opportunity” to let GSEP know about new community service opportunities so we can add to our ever-growing list.

Take the Lead Girl Program Opportunities

Take the Lead is GSEP's signature fundraising event honoring our community's most distinguished women whose leadership and professional achievements make the world a better place.

Girl Scouts can be a part of this exciting evening in a number of ways. Girls who

participate will learn about leadership and be inspired by our incredible honorees! Please see page 74 to learn more about Take the Lead.
