Maryland Sled Dog Adventures LLC offers dog sledding patch programs for Girl Scouts. No snow is no problem as we can still go using our "dog sled on wheels" (aka our "rig"). Scouts will work with our team of well-behaved sled dogs. Topics covered during the program include, care of sled dogs, nutrition requirements of sled dogs, training sled dogs, equipment used in the sport of mushing, and major sled dog races. Hands-on components of the program allow scouts to make a one dog line, connect lines to the sled/rig, harness a dog, bootie a dog, water and unharness the dogs after the run, and mush their own team of one or two dogs or take a short one on one educational ride with the full team. All participants must wear a helmet when on the rig. Cost is \$25 per scout with a minimum of four scouts and a

maximum of sixteen scouts. There is no charge for leaders or adult chaperones. Our patch is a fun patch not an official Girl Scout patch and is \$2.00 per scout. Please visit our website
