

Gold Award Recipients Honored

Congressman Joe Sestak (PA-07) helped celebrate the achievement of young Seventh District residents by welcoming four Girl Scout Gold Award recipients and their families to his District Office recently. The Congressman offered his congratulations by awarding Congressional citations to each Girl Scout. Recognized were (l-r) Natalie Bank of West Chester, Laura Maniscalco of Havertown, Kayla Rossi of Aston, and Ashley Baugher of Malvern. "Organizations like the Girl Scouts help instill the important values of responsibility, compassion and service early on to develop the character of each participant," said the Congressman. The Gold Award is the highest level that a Girl Scout age 14-18 can reach.
