

# Meet and greet

**Girl Scout** leader Carol Melvin poses with Kyla Lang, Anna Lang and Kelsey Battista. The girls sponsored a Pre-Sixth Grade Activities Night Wednesday at Merry Place in Haverford to ease the transition for students from elementary school to middle school.

Youngsters sign in at the first Pre-Sixth Grade Activities Night at Merry Place, hosted by three Girl Scouts working toward their Silver Award for community service. The aim of the night was for students from Haverford's elementary schools to meet other students and ease their anxiety before moving on to middle school. Anna Harland, Kelsey Battista and Kyla Lang are Haverford High School freshmen. At the event on Wednesday evening, there were games, refreshments and snacks donated by local merchants, as well as sports and crafts.
